Dear Mr. Reed:

This is to notify you pursuant to the Worker Adjustment Retraining and Notification Act (WARN), 29 U.S.C. § 2101, that Gulfstream will permanently close its facility located at McCarran International Airport, 5616 Haven Street, Las Vegas, NV 89119. The closure and employee separations are scheduled to begin on May 1, 2020. This action will affect seventy-three (73) employees at that time.

The corona virus pandemic has dramatically changed the world's economic landscape. Federal, state and local governments have declared a state of emergency and issued business closure, travel restriction and social distancing orders. We are experiencing a direct impact as a result of COVID-19 as a global business in our operations as well as through suppliers, including the significant impact of a government ordered temporary closure of a key manufacturing location. These sudden and unexpected circumstances adversely affected our business operations and prevented us from providing notice sooner.

All of the information required by 20 CFR § 639.7(e) is available on site for your review.

For further information regarding this matter, you may contact me at 912-965-4905.

Sincerely,

Timothy R. Maguire
