

Hon. Carolyn Goodman
Mayor
City of Las Vegas
495 S. Main Street
Las Vegas, NV 89101

Dear Mayor Goodman:

This is to notify you pursuant to the Worker Adjustment Retraining and Notification Act (WARN), 29 U.S.C. § 2101, that Station Casinos, LLC was ordered to shut down business operations and has made the difficult decision to implement layoffs at its Palace Station Hotel and Casino at 2411 W. Sahara Avenue, Las Vegas, NV 89102. This action will commence on May 1, 2020 and 406 employees will be affected.

The coronavirus has dramatically changed the world's economic landscape. Federal, state and local governments have declared a state of emergency and issued business closure, travel restriction and social distancing orders. Nevada Governor Steve Sisolak issued an executive order closing all casino operations on March 17, 2020 and that order has not been lifted. The Company's casino operations in Nevada have been temporarily closed for business since the order became effective. These sudden and unexpected circumstances adversely affected our business operations and economic outlook, and caused these layoffs. Unfortunately, these circumstances prevented us from providing notice sooner.

All of the information required by 20 CFR § 639.7(e) is available on site for your review.

To the extent the above actions constitute a covered event under the federal WARN Act, this notice is only intended to fulfil any requirements that may possibly be imposed under this Act. The provision of this information does not mean that this Act applies or that notice is required.

Team Members currently enrolled in our benefit plans will continue in the plans with the company paying all premiums until September 30, 2020.

For further information regarding this matter, you may contact Michael Britt, Senior Vice President of Government Relations at 702-495-3693.

Sincerely,
