

Hon. John J. Lee
Mayor
City of North Las Vegas
2250 Las Vegas Boulevard North
North Las Vegas, NV 89030

Dear Mayor Lee:

This is to notify you pursuant to the Worker Adjustment Retraining and Notification Act (WARN), 29 U.S.C. § 2101, that Station Casinos, LLC was ordered to shut down business operations and has made the difficult decision to temporarily close its Texas Station Gambling Hall and Hotel at 2101 Texas Star Lane, North Las Vegas, NV 89032. The casino will close on May 1, 2020 and 822 employees will be affected at that time.

The coronavirus has dramatically changed the world's economic landscape. Federal, state and local governments have declared a state of emergency and issued business closure, travel restriction and social distancing orders. Nevada Governor Steve Sisolak issued an executive order closing all casino operations on March 17, 2020 and that closure order has not been lifted. The Company's casino operations in Nevada have been temporarily closed for business since the order became effective. These sudden and unexpected circumstances adversely affected our business operations and economic outlook, and caused this closure. Unfortunately, these circumstances prevented us from providing notice sooner.

Team Members currently enrolled in our benefit plans will continue in the plans with the company paying all premiums until September 30, 2020.

All of the information required by 20 CFR § 639.7(e) is available on site for your review.

For further information regarding this matter, you may contact Michael Britt, Senior Vice President of Government Relations at 702-495-3693.

Sincerely,
