Re: Layoff Notice for Las Vegas Basketball Ventures, LLC.

To Whom it May Concern,

I write to advise you on our updated assessment of the current environment related to the COVID-19 virus and its impact on our business. Beginning during the 14-day period from March 2, 2020 through March 15, 2020, the downturn in our business due to the COVID-19 pandemic and the subsequently announced government ordered closures of several of our facilities caused us to lay off most of our workforce at Las Vegas Basketball Ventures, LLC. We instituted the layoffs through leaves of absences/furloughs and provided two weeks of pay for all full-time employees and employees who worked an average of 30 hours or more and were laid off as a result of the COVID-19 pandemic. We have committed to provide benefits for all eligible employees who are enrolled on our health plan through August 31, 2020.

We were optimistic at the time of the initial layoff in March that we would be able to reopen quickly. However, we have had to reassess our reopening date given the duration and severity of the COVID-19 pandemic and its effects on Las Vegas Basketball Ventures, LLC, and its facilities

at 3950 Las Vegas Blvd South, Las Vegas, NV 89119; 980 Kelly Johnson, Drive, Las Vegas, NV 89119. The initial government ordered closure of non-essential business was set to expire on April 16, 2020. Since that time, however, the government ordered shutdown has been extended for reasons beyond our control. The factors on which the Company's reopening depend are also beyond our control. Nevada's reopening plan provides that hotel-casinos will be among the last businesses permitted to resume operations. We will be required to institute a multitude of protective measures that will substantially delay our ability to reopen and hamper our casino, restaurant, and entertainment business. Accordingly, we have had to reassess our reopening date given the duration and severity of the COVID-19 pandemic and its effects.

Due to our extended closure, the business is anticipated to continue to have a significant decrease in revenue, cancellation and non-booking of hotel, restaurant, and entertainment events, as well as significant postponements and cancellations of convention bookings. Our sincere hope continues to remain that this layoff is temporary, but in light of the continuing pandemic and our extended closure, we are unable to say that the layoff may not last more than six months for at least some portion of our employees.

Although we continue to remain hopeful that this layoff is temporary, we are unable to assess a more specific return to work date, and we are providing your agency this notice that the layoff beginning during the 14-day period from March 2, 2020 through March 15, 2020, may continue beyond six months and/or could be permanent. Accordingly, because of applicable law, we understand we are required to provide you an expected date of separation for the employees — which will be August 31, 2020. We were unable to provide more notice of this action because the possible extension of this temporary layoff beyond six months or permanently was not reasonably foreseeable on or about March 15.

Please accept this letter as notification on behalf of the Company. The total number of employees affected by this action at the Company locations listed above is 19. A list of the job titles of the employees who will be affected by this layoff, and the number of employees within each job title, can be provided upon request. We have also notified the employees, the applicable employees' union representatives (if applicable), and other state and local officials. We were unable to provide more notice of this action because the possible extension of this temporary layoff beyond six months or permanently was not reasonably foreseeable on March 15.

None of the affected employees are covered by a collective bargaining agreement and they do not have the right to bump other employees.

You may direct any further inquiries concerning this situation to me through HR Shared Services at (855) 464-6747.

Sincerely,

Brenda Bradbury  
MGM Resorts International
