Re: Worker Adjustment and Retraining Notification

Dear Mr. Reed:

I am writing to inform you that Cirque du Soleil will be conducting a temporary layoff of 204 employees. This will include employees at our Resident Shows Division Office. These facilities will not be shut down. This temporary layoff is due to the unforeseeable suspension of all Cirque du Soleil Resident Shows in Las Vegas as a result of the rapid escalation of the Coronavirus (COVID-19) pandemic and taking into consideration the World Health Organization (WHO) and the Center for Disease Control (CDC) recommendations with respect to gathering of groups in audiences like ours.

The layoff is expected to be temporary, but the duration is unknown. The expected date of the job loss is March 20, 2020. The affected employees are non-union employees. The affected employees are not entitled to an opportunity to "bump," or trade places with, individuals who are not affected by the decision.

The job titles of positions to be affected, and the number of affected employees in each job title is as follows:
