This action will affect 1,093 employees.

As you know, the COVID-19 virus has reached pandemic proportions and the federal government and many states have declared a state of emergency. Further, casinos in the state have been ordered to close. These sudden and unexpected circumstances adversely affected our business operations and, unfortunately, prevented us from providing notice sooner.

All of the information required by 20 CFR § 639.7(e) is available on site for your review.
