Dear Gentlepersons:

This letter is to inform you ASTS Management, LLC (the "Company") intends to temporarily suspend its entire operations at Tahiti Village Resort (the "Resort") located at 7200 South Las Vegas Boulevard, Las Vegas, Nevada 89119.

A total of 2 employees employed by the Company at the Resort will be temporarily laid off from their employment due to this suspension of operations. We expect the first separation from employment to take place April 11, 2020. These layoffs will continue indefinitely but are intended to be temporary and last less than six months. Please be advised bumping rights do not exist.

We are taking this action because of business circumstances related to COVID-19 that were not reasonably foreseeable. While we would have liked to have provided you more notice of this action, we were unable to do so because of how quickly our operations were affected by the COVID-19 pandemic, the World Health Organization's March 11, 2020 pandemic declaration, the March 13, 2020 Declaration of a National Emergency by the President of the United States, and the COVID-19 related Emergency Declarations and Directives issued by the Governor of Nevada.

For further information, please contact me at (702) 967-5050.

Very truly yours,

Eva Anaya
VP Human Resources
