About Pandemic Emergency Unemployment Compensation (PEUC)

Part of the CARES Act, the Pandemic Emergency Unemployment Compensation (PEUC) is a temporary program that provide up to 13 weeks of 100% federally funded benefits to claimants who have exhausted their regular UI claim.

PEUC ELIGIBILITY:

1. PEUC Eligibility: Although not all unemployment insurance (UI) claimants will be eligible for PEUC, you may be eligible if:
 - a. Must have exhausted all regular state UI benefits (26 weeks) of state UI benefits on or after July 1, 2019);
 - b. Claimant’s UI benefit year ended on or after July 1, 2019 (provided a new UI benefit year eligibility cannot be established);
 - c. Must be able and available to seek or accept work once “Stay at Home” restrictions have been lifted due the COVID- 19 provisions; and
 - d. Not be eligible for regular unemployment benefits.

PEUC BENEFIT PAYMENTS:

- PEUC is an extension of a regular UI claim. If eligible to file PEUC, claimants receive the same weekly benefit amount as on their regular UI claim. In addition to the weekly benefit amount, claimants will also receive the FPUC weekly \$600 payments for weeks filed between April 4, 2020 through July 25, 2020.
- PEUC is payable beginning the week ending April 4, 2020 and will conclude the week ending December 26, 2020.

Notification will be mailed to claimants advising of potential eligibility for PEUC benefits. Claimants will need to login to their unemployment account at ui.nv.gov. The PEUC filing process steps will differ depending of the status of the person’s regular UI claim. Claimants are encouraged to view the [PEUC Frequently Asked Questions](http://detr.nv.gov/coronavirus) on detr.nv.gov/coronavirus for more instructions on how to file for their PEUC claim.

Filing online is the most efficient and effective way to file or reactivate a UI claim. If a claimant wishes to file over the telephone, they must contact the UI call centers. Callers should be aware that wait times are high and there may be a delay in ability to file their claim. Once claimants reach the automated response, they should select option number four (4) for the 13-week extended benefits under the Pandemic Emergency Unemployment Compensation (PEUC) claim.

For PEUC announcements, resources and updates claimants are encouraged to visit DETR’s COVID-19 webpage at: detr.nv.gov/coronavirus
